

## 2 ACOUSTIC - REVIEWS

From myself and my new husband I would like to say a MASSIVE thank you for sharing our day with us. You guys were phenomenal!! Couldn't have asked for anything else from you. The fact that you learnt two songs for us was just incredible - it really is a testament to what amazing musicians you both are. We will always cherish your version of "Can't Help Falling in Love".

So many of our guests commented on how great you were as well. It really helped set the mood. In all honesty we would recommend you guys at the drop of a hat to anybody! You were a pleasure to work with leading up the wedding and on the day also. You were simply amazing.

2 Acoustic were superb; they took everything on board that was requested of them and even learnt some Christmas songs to add to their repertoire. Just the right for the night and lovely people too!

A very big thank you for the music at our event on Friday; it was perfect and I've had many complimentary comments. We had a lovely evening and your contribution was a big part of that. Thank you also for taking on board all the comments discussed, from the playlist put together, to the extra Christmas songs learnt, adjusting the volume to suit and varying the playlist from the beginning of the evening to the end; it was all beautiful, enjoyable and stress free! The only bit I'm sorry about is that the evening came to an end too quickly!

The day went really quickly and we didn't get a chance to say a big thank you for performing at our wedding. The music was beautiful and it made our day extra special.

Hi Adam & Paula,

We'd just like to say a huge thank you for performing at our wedding on Saturday!

You both sounded brilliant and we had lovely comments from our guest about your performance.

Thanks again!

Best wishes,

Sophie & Jonathan

Would just like to take the time to thank you and 2 Acoustic who played at my wedding on the 02.08.14 at The Grey Lady Newtown Linford they were amazing and both very nice people. We had lots of guests saying how good they were and we would definitely recommend them.

**Leanne McAllen** - 4 Sep 2014

Lizzie and I would like to say thank you again for your performance on our special day. You created the perfect atmosphere during the ceremony and played the requested songs in your own style which we loved! A lot of guests praised your choice of songs and playing style during the wedding breakfast and I really liked your version of Crazy.

Hi David,

Could you please pass on my sincere thanks to 2 Acoustic for their superb performance at our party on Saturday. Their music choice was fantastic, fitting in perfectly with the tone of the event. They were professional and friendly and an absolute pleasure to deal with.

I will definitely recommend 2 Acoustic to friends and family and hope I have the pleasure of dealing with them again in the future.

Kind regards,

Alison

I just wanted to provide some feedback for 2 Acoustic who played at my wife's 30th birthday on 22nd September 2012.

We thought they were absolutely exceptional and can't speak highly enough of them. This was a view shared by our guests - we had numerous comments throughout the day about how good they were and how fantastic they sounded. They were extremely flexible and friendly both prior to and on the day, happy to accommodate our itinerary and music choices and even went as far as to learn some of my wife's favoured songs prior to the event. I would have absolutely no hesitation in booking Paula and Adam again for another event and I will be sure to recommend them amongst family and friends.

Please can you pass on our thanks to 2 Acoustic who played at Lily's 21st party on the 24th march. They were great, just the right atmosphere was created and we had a wonderful afternoon. Paula sang beautifully and so many people commented on her constant smile. Adam was very talented on the keyboard. They were a delight to have with us. I hope they had a great holiday and that we will be able to have them with us once again. Many thanks and great website changes. Kind regards
