I just wanted to say a huge thank you to you and all the band for providing such brilliant entertainment at our wedding on Saturday. Everyone has said how great the band was and I think that you turned a special day into something really amazing.

The whole band was so professional from start to finish, we didn't even notice that you had everything set up until you were ready to start. Thank you all for being so polite, helpful and courteous. All the band were such lovely people too. I hope you all enjoyed it as much as we did.

Mark Woodhouse - 25 Sep 2017

I just wanted to drop you an email to say thank you to you and the band for giving us such a great party last Saturday. You were fabulous, we had so many messages about the quality of the music and a very full dance floor. Great evening: thank you.

Carolyn Whiting - Wedding - 29 Jul 2017

Dear David,

I didn't manage to say thank you on the Sunday. Just a note to thank you for entertaining us over the two days. We have had many favourable letters about the quality of the music. I even managed some 'Dad' dancing and it was a good decision to play inside on the Sunday. We are happy to recommend you to our friends.

Best wishes,

David

Dear Dave,

Thank you very much for the superb performance given by Funk Soul Brother at our wedding reception on 26th September. Many of our guests have told us what a great band they thought you were and we would echo that sentiment.

Thank you for your help during the many conversations and emails which we had in the lead up to the wedding. It was great that you were able to talk us through the detailed issues to be considered and bring clear thought to bear on them, and that you were prepared to go over a number of issues several times without losing patience!

The musicianship which you all demonstrated on the day was very impressive. Your instinct about the timings on the day and choice of pieces to play were spot on which meant that we all had a really great time.

Please extend our thanks to the whole band and crew.

With thanks and regards,

Hi

We would like to thank you so so much for playing at our wedding in Cotterstock 3 weeks ago. You were absolutely incredible and certainly got the party started! The music was really important when planning our wedding and you certainly didn't disappoint. We are also so grateful that you were able to play our first dance song as it is definitely not the easiest song to sing, but it was fantastic and will be something we will never forget.

Everyone has been raving about you and we will be recommending you to everyone we know.

Thanks so much again.

Hi,

We are back from our honeymoon in Borneo and adjusting to normality again and just wanted to drop you a quick note to thank you for your incredible set at our wedding in Exton Park on the 18th July 2015. We loved how relaxed and accommodating you were and your performance was out of this world. A band was always going to be one of the most important aspects of our day and after listening to your outtakes on-line and reading your philosophy you we had very high hopes. But you managed to exceed

PURE / ARTISTS

our very high expectations by a mile - your outtakes don't do you justice as to how good you sound live... bags of talent and personality, a really tight sound and a cracking sound system.

I think you could tell on the night just how much our guests appreciated your performance and we hope that with such a receptive audience that you enjoyed playing the gig.

I think the godfather could sum it up far better than we could - you got soul and you're super bad.

Much love...

Jim and Nicola Cain - Wedding - 16 Aug 2015

Just wanted to say a HUGE thank you to "Funk Soul Brother" for a wonderful evening's entertainment in Uppingham on Friday. Absolutely fabulous!! If I ever remarry they are playing at my wedding!!

Malcolm Edwards - Public Event - 11 May 2015

Hi David

I've been meaning to ring you, it's been a bit crazy clearing all that snow!! Haha, I think we can safely say Narnia was a success and everybody LOVED the band. Believe it or not it's very difficult to get me on the dance floor (let alone a stage), so that says a lot about the performance!!!

You're a really talented and fun bunch. I've honestly had the most feedback, with everyone saying the current songs such as Uptown Funk were fab, the vocals were spot on, and the saxophonist was amazing! I'm absolutely thrilled with how it all went. Matthew and I would definitely book you again, and hopefully will get a chance to in the not too distant future. So chuffed that we'll get to see you again in September at our friends' wedding in Lyddington.

Thanks to all of you for the super entertainment.

You were fabulous!!

Many many thanks

Dear Dave, What a fantastic day! What a terrific evening!

PURE / ARTISTS

Everybody we've spoken to was completely in raptures about the band and what a brilliant end they made to a wonderful day. Even Sue's father (90 in December) took to the dancefloor for the first time in his life outside a ballroom.

We really appreciate your contribution, please would you pass on our grateful thanks to all of the Brothers (and sister!). You were great!

With very best wishes,

Hi Dave, Sarah and I just wanted to say a huge thank you for your performance at our wedding. It was absolutely amazing and even better than our very high expectations. Our guests are still talking about it and the term "best wedding band by far" has been said more times than I can remember. It was worth stretching our budget for and the perfect way to celebrate our marriage. Thank you all for making it so memorable, and all the best for your future.
