Hi Anne/Tom,

Just wanted to thank yourselves and the band for a fantastic night. The music and entertainment was brilliant. Thanks to Tom and the band for working with a limited crowd - they really did make the evening a success and couldn't have been more helpful.

Regards,

Phil

I would just like to say a massive thank you to The Atlantics who played at our wedding in August. They were fantastic all night and even got people up singing with them and let my father-in-law play the drums. Everyone commented how brilliant they were, thank you again.

Vickie Stevens - Wedding - 30 Oct 2017

The Atlantics were phenomenal. The first seconds of them starting to play had people running to the dance floor. They're real musicians who play with passion and are not just another cover band. Our guests were thrilled about their repertoire and performance.

They were super accommodating - not the least in making the trip to Brussels, Belgium for us. Because of the trip there was more to discuss and organise than just turning up at the venue but given their responsiveness this all went very smoothly.

We would recommend anyone looking for a live band that really gives you a performance to book The Atlantics. You're guaranteed an outstanding party.

Just want to say the wedding on Saturday went great it was a beautiful day. Would you pass our thanks on to The Atlantics who were absolutely fantastic as they were for my other sons wedding 8 years ago! Got everyone up dancing and even let my husband up to drum for jumping jack flash (it was his era!) Also thanks to you all for your help, very professional and friendly. Always quick to answer my emails (which were many) to reassure me as mother of the groom.

I just wanted to say how great the Atlantics were and thank you for recommending them! Everyone had such a good time dancing to all the songs, and the band played our first dance better than we could have imagined. They were so helpful and friendly, and had no issue with playing the odd Iranian songs which we thought might have been a stumbling block! All in all, a great success!

Georgie & Adam - Wedding - 25 Mar 2017

The Atlantics played for me at my 50th birthday party and were absolutely fantastic, they had the place rocking and got the whole place involved, great range of music and great lads.

Just wanted to send a further thank you from me and the cricket club for once again putting on an excellent set of music and getting the dance-floor occupied virtually non-stop. Also, thank you for lowering the volume to begin with as I requested; that was appreciated by people at the event.

And a final additional personal thank you for giving me the fun of joining you on stage for Don't Look Back in Anger. I enjoyed that big-time, even though I can't sing for toffee!

Hi Guys

Now that the dust has settled and we're back from the honeymoon I thought I'd send a quick email thanking you for helping make our night last week.

PURE / ARTISTS

I have very hazy memories from a lot of it but I do remember being on stage murdering a couple of songs, some horrific videos have surfaced from that which I never want to see or hear again! We both had a great time and hope you lot enjoyed it too.

Keep up the good work, if anyone asks us for recommendations in future I'll definitely be showing them your website.

Cheers

Just a quick email to thank Tom and the band for playing at our wedding reception. Their sets were flawless and the music was right up our street. Many, many of our guests enquired after them when they had finished, with people commenting that their high energy performance and obvious talent made the evening what it was.

The boys were uber professional, the sound quality (given the small place) was excellent, they catered to all my requests and were even helpful in supporting one of my friends who had offered to sing as my guests arrived. The added touches of having myself and my husband up to sing was fun and felt so very personal.

I wouldn't hesitate to recommend these guys; an absolute bargain as we got a highly professional outfit. They brought a real edge to the evening and were such lovely, fun and energetic people. They made my evening and I for one would love to see them play again - in a word epic.

Thanks Tom and the boys, you truly rocked.

First dance was spot on, we loved it.

Hi Tom & Tom,

I just want to say a huge Thankyou, the two sets you gave us was mega, I loved every tune, and so did everybody else,

I had booked another guy a year ago, but three weeks before the bash, he had a car crash, he has had to cancel all his gigs until Jan,

I am so glad we managed to find you through DG, it was meant to be!!!

Take care guys, maybe we could do business again some time,

Regards Sparks..

Hi Belinda

Hope you are keeping well.

Just wanted to drop you a quick note and some feedback on The Atlantics and please pass this on to Tom and the guys.

The guys were absolutely brilliant at Spalding Round Table Ball on Saturday night. The dance floor was full from start to finish and they had something for everyone and really played to our crowd. I must admit I was a little nervous having only booked them from just watching a few videos on line which I was impressed with but in the flesh they are even better and what those videos don't show is what a nice group of blokes they are as well. I think they may be getting quite a few more bookings from the Round Tablers across this part of the World. Please thank them immensely for making this one of our most memorable Balls ever.

Best regards,

Sam Nundy

We just wanted to email to thank The Atlantics for an absolutely amazing set at our wedding on Sunday 28th August in Northampton. My (now) husband & I agreed that the band was by far the best money we spent & they really made our day. The dancefloor was packed with guests enjoying themselves & I loved being allowed up to sing (badly!). They were fantastic and we would highly recommend them to anyone who wants to have a real party and brilliant atmosphere.

Many, many thanks indeed.

A belated but nonetheless sincere thank you to you and The Atlantic Boys for playing 2 wonderful sets at Sarah & Dan's Wedding at Stoke Rochford Hall 10 days ago. The boys were on fine form and their music really appreciated by the guests. Whilst I only have one daughter and don't plan on marrying her again - I wouldn't hesitate to recommend the Boys. I wish them well in their future musical careers. Thank you again

Please would you pass on our sincere thanks to the Atlantics, they were 'spot on', we have had so many complimentary comments about the choice of band. The audience particularly enjoyed the mix of old and new stuff, the Beatles etc. We hope they too enjoyed playing the venue? Best wishes

Just wanted to drop you an email to say thank you for providing The Atlantics and PlusDJ for our wedding on Saturday 31 October. Both artists totally entered into the wedding/halloween spirit and made it into an unforgettable night for us both.

All the guests we've spoken to were amazed at the quality of the Atlantics' performance that night, and I'm aware that one of our guests is trying to book the Atlantics for their wedding event next year. Jo and I are especially pleased with the choice of DJ you provided for the night... great tunes, not a hint of cheese, and he was partying hard like the rest of us! I wouldn't hesitate for a moment to recommend The Atlantics, PlusDJ, and DG Music to anyone. Once again, thanks very much!

What a fantastic night we had on 30th May, - the Atlantics were perfect, - a great sound in the pub setting and the boys have a really cool look! Everyone loved them. They were great with requests too, - and played on well into the night which was exceptional, and really made the night perfect. I've passed on your website to several of our guests. Best wishes and thank you again...

Could you please pass on my thanks to The Atlantics for their evening performance. They were outstanding. They got everybody up and dancing (even me!) and the whole performance was flawless, we could not have asked for more. Not one person left the party without telling us how brilliant the band were, so please pass that on to the guys. We were all very impressed, and i hope that the band go on to do great things in the future...they certainly have the natural skill and ability to go very far.

I'm sure Lucy will be thanking you too but from me, thank you and all the very best for the future.

Many thanks
