Loved The Houndogs! You have to book these again as their entertainment value was first class but everything about this group was brilliant.

**Stephen and Caroline** - Oundle Festival - 21 Jul 2017

Dear David,

Saturday did indeed go very well, thank you. The Houndogs are extremely nice people and amazing performers. How they manage to sustain such a high energy performance is extraordinary, including great tricks - dancing on the bass, playing it upside down, cymbals on fire etc! They really got the crowd going. It was a pleasure to welcome them to Oundle Festival.

Best wishes

Hello Ian, David and Robert,

I just wanted to say a massive thank you for providing the entertainment at our charity ball on Saturday 11th March.

You were brilliant to watch and really made the night a success, we have had so much positive feedback and hopefully this will reflect in your downloads and bookings in the near future. Our guests were blown away by you.

We raised £4609 on the night which is just fantastic and so much more than we had hoped for.

They are fantastic at what they do - the performance was so tight and the energy and showmanship were incredible. They were also very professional, friendly and a pleasure to deal with on the night. Overall a real highlight of our wedding. Thank you so much!

People haven't stopped talking about The Houndogs... you should definitely use them again, I will be if I can ever find another suitable event. Their energy when they are on stage is insane... they nearly spent as much time on the dance floor playing their instruments there as they did up on stage.

Absolutely fantastic!! Everybody loved them. Had so many comments on them on the night and yesterday. Loads of people asking where I found them and a couple of people wanting to book them for events they organise including one in Belgium.

Had people saying they didn't know whether to get up and dance or just sit and watch as they didn't want to miss anything. One guy in particular who usually hates bands absolutely loved them. Head was going, toe was tapping! He said he would pay to go and see them.

They were the icing on the cake for a fantastic day.
